

## Privacy Policy

Below is a brief summary of how your Personal Data will be processed. Further information can be found in Avalon's Privacy Policy at <https://avalonuk.com/privacy-policy-cast-crew-and-talent/>.

Avalon may collect, use and process certain personal information relating to you for purposes connected with the casting selection process and, in some cases, agreement to participate in the programme, such as the administration of your personal information, communicating with you about your application and complying with legal and regulatory obligations. Such personal information may include your name, address, contact details, footage of you, a copy of your passport (to prove your right to work or reside in the UK), information about your health (to obtain insurance), ethnicity (for diversity monitoring), information about any criminal convictions and information about you that is relevant for inclusion in publicity material. If Avalon enters into an agreement with you, Avalon shall collect, use and process certain personal information relating to you for purposes connected with this Agreement such as the management and administration of this Agreement, administration of your personnel record, arranging and administering any medical treatment you that may be required, communicating with you about your services and complying with legal and regulatory obligations.

Avalon's lawful basis for collecting and utilising this information is that it is necessary for the performance of any potential agreement for you take part in the programme, to comply with Avalon's legal and regulatory obligations and to pursue Avalon's legitimate business interests (for example to fulfil contractual obligations to the Programme commissioner/financier). Avalon also relies on your consent in order to collect and use any sensitive and/or special category information such as information about your health, ethnicity, previous criminal convictions etc. and you will be informed at the time of collection of that information why Avalon needs to collect it.

Avalon may share your personal information with members of the Programme production team, the Programme commissioner/financier, Avalon's affiliates and group companies, legal and regulatory authorities, insurers, medical professionals, Avalon's professional advisors and other third parties such as any potential purchasers of Avalon and distributors of the Programme.

Please make sure that the personal data that Avalon has is current and please inform Avalon of any significant changes.
